

St Johns Primary School Parent Council Newsletter August 2011

Upcoming fund raising events

Raising money to help support school activities is a big part of the Parent Council and last year we managed to raise £ xxx. This term we will have a sponsored event for the children to take part in, the Bags2school collection of old clothing and textiles and the book fair at the Open Afternoon. We are always looking for new ideas so please come along to the AGM and get involved.

Parent Council AGM

The AGM will be on the 19th September at 7pm in the School.

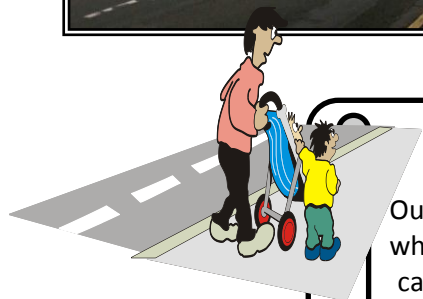

All parents are welcome to come along to the meeting whether it is just to listen to what is being discussed or join the Parent Council.

Remember. This is your council. Have your say.

Road Safety

You will all have noticed the new entrance to the school playground that keeps the children away from the taxis and buses that are using the drop off zone in the car park. This is a much safer entrance for the children and we are really pleased that council have made this change. You can help keep it safer by following the following simple rules:

- don't stop your car in the bus stop, its very dangerous and also illegal;
- don't park in the school car park unless you have permission from Mrs Hope;
- dont stop on the zig zags.

Park and Stride

Our Park and Stride Point is located at the Bent Recreation Area where we would like parents to park if you do need to bring the car. Children love using the park and stride and it helps reduce congestion around the school gate.

Thank you very much for your support
