Dear Parent / Carer

### **ICT REFRESH**

I am very pleased to inform you that St. John's Primary School will receive an ICT refresh after the Easter holidays. This means that our old/slow workstations and laptops will be replaced. We are also receiving more workstations and laptops which will raise our ratio as detailed below:

- Every class will have at least one new workstation
- All ASN classes will have a clever touch screen and new laptop
- 2 new I-pads
- 16 notebooks and a charging station
- 17 workstations

While all of this new equipment is being built and installed there will be **no internet or e-mail** available to the school from **22 April to 25 April**. If you need to contact the school during this time, please call the school office on the usual number.

We are looking forward to using all of our updated technology.

Yours faithfully

ALISON HOPE  
Head Teacher
