

Room 15 —Curricular Information P7

Miss Shearer
Sep– Dec 2017

Literacy

Reading—We will be working on our whole class novel 'Wonders'. Our novel and the associated activities will develop our Higher Order Reading Skills.

Spelling—We will have a variety of spelling rules throughout the term. Please ensure these are completed as Homework.

Writing—This term we will be focusing on recounts and persuasive texts. We will focus on the correct layout of these genres.

Grammar—Our focus this term will be punctuation and applying it correctly throughout our writing.

Listening and Talking—We will prepare a personal talk to present.

Numeracy

Hexagons—(Working alongside Miss Pinkerton) addition, subtraction, division and multiplication strategies.

Fibonacci —Addition, subtraction, division and multiplication strategies including place value. Finding a fraction, decimal and percentage of a number and converting between each.

Pythagoras -Addition, subtraction, division and multiplication strategies including place value. Finding a fraction, decimal and percentage of a number and converting between each.

As a class we will be continually working on mental math and problem solving strategies.

Social Studies

We will be creating our own companies. Each company will be given £5 to help set up their business. The profit will be used to allow the children to see the new Literacy novel 'Wonders' at the cinema.

H&W

We will be focusing on peer pressure and how to make the correct decisions, whilst also looking at our rights. In P.E we have been working on increasing our fitness through circuits and team games.

Science

We will be developing our understanding of inheritance and the traits we inherit and those we do not. We will also be learning about DNA and have the opportunity to extract DNA from fruit.

Expressive Arts

Drama with Miss Pinkerton
Art with Miss Primrose

RME

This term we will be focusing on Judaism. We will be learning about Passover and Jewish traditions.
