Room 1 Curricular Information P1

Miss Blackand Mrs Jamieson

Sep– Dec 2017

Literacy

This term we are learning to:

- recognise and form all initial sounds
- blend some our sounds to make simple words
- hold and use a pencil correctly
- read and spell some tricky words
- write a simple sentence
- take turns during talking and listening activities

Numeracy

This term we are learning to:

- recognise and form numbers to 10
- develop a sound knowledge of days, months and seasons
- identify 2D shapes
- use colours to make a pattern
- sort numbers colours, shapes etc.
- make a simple pictogram

Social Studies

After the September weekend we will be starting a topic on Our Local Community. This will involve lots of walks and observations of what is round about us.

H&W

We will be focusing on safety for the first few weeks. After the October holiday we will be learning about our rights.

Science

Through our local community topic we will be learning about seasonal changes.

Expressive Arts

We will be completing various art activities across the curriculum. In drama, we will be acting out stories we have read in class. In music, we will be learning some new songs which will also involve the soundtrack to our Nativity.

RME

As part of our topic, we will be focusing on Light and Dark.

Later on, we will be learning about the Christmas story as part of our Nativity.
