

# Room 14—Curricular Information P6/7

Miss Hutton  
Sep– Dec 2017

## Literacy

**Reading**—Our class novel is Wonder. We will be learning to use a range of strategies to help understand and analyse the book including connecting, comparing, visualising and inferring

**Spelling**—We will be covering a variety of spelling rules. These will be tested on a Friday in class.

**Writing**—We will be focusing on recount and persuasive genres of writing, learning how to structure our writing and the types of language, openers and detail to be included.

**Grammar**—We will be learning how to use all types of punctuation correctly and will aim to transfer this into all writing.

**Listening and talking**—Children will prepare and deliver a solo talk this term and will be expected to contribute to class/group discussions which take place throughout the school day.

## Numeracy

**Marvellous Multiples (P6)**—Fractions of a set/quantity, decimals (tenths), area, volume, coordinates, angles, number properties and multiplication strategies.

**Perfect Primes(P6/7)**—addition, subtraction, multiplication and division strategies, equivalent fractions, fractions of a set, decimals (tenths and hundredths) and number properties

**Fabulous Factors(P7)**—addition, subtraction, multiplication and division strategies (including decimals) equivalent fractions, fractions of a set, number properties, estimating and rounding decimals, order of operations and number properties

## Social Studies

The children will be responsible for making '£5 grow' by setting up and running a business. And taking on different roles. We will use the money for a trip to the cinema to see the movie version of our novel study 'Wonder'.

## H&W

We will be looking at particular rights of the child in more detail and Peer Pressure and how to deal with situations. In PE we will focus on skills for various accuracy and team games and dance.

## Science

We will be learning about inheritance, distinguishing between inherited and non inherited characteristics, extracting DNA from fruit and making our own Reebops by selecting DNA.

## Expressive Arts

Drama with Miss Pinkerton  
Art with Miss Primrose

## RME

We will be learning about Judaism this term, with a particular focus on the Passover and symbolism within Jewish traditions.
