

Room 4 —Curricular Information

Miss McDonald and Mrs Palazzo

Sep– Dec 2017

Literacy

Room 4 will be working hard on our reading skills, some of us will be working every day with letter boards and we will all enjoy a new reading book every week.

We are all working hard on fine motor skills tasks, this will help us to get even better at writing.

We will have lots of exciting information to listen to, talk and write about as we work hard on our Knights and Castles topic.

Numeracy

Throughout the term we will all be working hard on our numeracy skills exploring numbers and doing lots of games and challenges to develop our skills.

We will also focus on time and seasons, we will explore calendars and clocks.

Social Studies

We will be learning about people in the past through our Knights and Castles topics.

H&W

We are working hard to settle into a new class with a new routine. Our focus will be on learning how best to look after our class and our own

Science

Through our topic we will explore push and pull effects by investigating how a drawbridge works.

Expressive Arts

Our topic will give us lots of super ideas for art including designing our own shields.

We will play some drama games using our knowledge about knights and castles.

RME

This term room 4 will focus on what makes a good friend as we settle into a new class and get to know each other.
