

Eco Committee

Eco-Schools Scotland is designed to encourage whole-school community action on Learning for Sustainability. The programme encourages young people to engage in their environment by allowing them the opportunity to actively protect it. The programme starts in the classroom and expands to the whole school, eventually fostering change in the community at large.

Here at St John's our Eco Committee was set up in 2016 by Miss Nicholas. We are following the Eco Schools Scotland Programme in the hope that we can gain our

Green Flag award.

Our Eco Representatives

Room 2	Alexis Brain	Room 4	Troy Linton
Room 5	Jamie Nailon	Room 6	Georgia Ross
Room 7	Jack Brand	Room 8	Ben Graham
Room 9	Hailey and Kyle Cassidy	Room 10	Aaron Hanlon
Room 11	Mya McColvin	Room 12	Ciaran Park / Lucy Michael
Room 13	Callum Stewart	Room 14	Robbie Pollock
Room 15	Joshua Hamilton		

2017-2018 our focus is:

- Litter

Term 1 – Our Eco Reps have led the way in reducing litter. Now it is the responsibility of each class to take turns to help rid our playground of litter. The Eco Committee have constructed a Rota and by Christmas each class will have contributed to lessening the amount of litter we have in our learning environment.

- Transport

Term 1- We paired up with our JRSO reps and conducted a St John's Walk to School week 9th-13th of October. It is evident that through this competition we have increased the number of children who make their way to school in a more Eco friendly way. We would like to thank the adults who supported us in achieving our target.

- Food and the Environment

We have yet to meet to discuss our next topic. However, we have meetings arranged to brainstorm our excellent ideas.
