

JRSO stands for Junior Road Safety Officers. Here at St John's Primary school we take children's safety very seriously which is why our school participates in the JRSO scheme.

This year the promotion of road safety is supported by the Senior Management Team and Miss Nicholas. However, it is led by two very sensible and mature Primary 6 pupils. This year's successful candidates are:

Jamie Coyle and Ruby Dunbar-Aitken. Well done to both of you and thank you for your continued hard work!

Our JRSO's promote road safety awareness to all the pupils in our school and their families. They hold JRSO assemblies, organise "Be Bright be Seen" non-uniform days, send messages home via leaflets, launch road safety competitions and oversee Walk to School Week.
