

School Sports Committee

What is a School Sports Committee?

Our School Sport Council was set up in 2016 by Miss Nicholas. The aim is to help us improve the levels of pupil's engagement and the range of sports provision in our school. By conducting pupil surveys and discussion groups our School Sports Council will be able to suggest ways for us to improve our pupils' sporting experiences. In addition, they are ambassadors for the school and are always encouraging others to represent the school.
