Dear Parent / Carer

PRIMARY SCHOOL APP

Our Parent Council have been working with us to ensure that communication between school and home is easy and accessible to all.

We are very pleased to inform you that our Parent Council has funded the purchase of an app which has been approved by SLC and meets all data protection regulations. We encourage parents / carers to download the app – Primary School App, 'PSA' through Apple or Google Play and select St. John's Primary School, Hamilton. Letters, events and important information will be sent out using the app to help improve communications.

Basic information is already on the app and, as weeks pass, each new item will be added for classes, clubs and whole school events. We hope that, by using the Primary School App, Twitter and our school website, all parents and carers can keep up to date with all information.

Yours faithfully

ALISON HOPE
