Welcome to our **September** Newsletter.

Our two JRSO, Lucas and Georgia, learned lots of good safety ideas to help all children be safe as the evenings become darker. They presented at an assembly to share what they had learned.

Our RRS Committee have been busy planning for our reaccreditation at Gold level and presented to our Primary 1 Parents/Carers at our Open Afternoon. The team had lots of ideas of how to encourage all children to think about how the UNCR Charter of Rights affects their daily lives.

We are delighted to announce that our Pupil Leadership team is now confirmed. All Primary 7 pupils who were interested made fabulous speeches to their own house and then each house voted for a Captain and a Vice Captain. The speeches were very engaging and passionate- well done to all who tried out for a place.

Our Pupil Council met for the first time this session and have made a plan of activities and events which they are leading. Their first focus will be organising activities for Children in Need.

Rooms 8 and 9 enjoyed a visit to St John's Church where they met with Joanne. They learned about different

features of a church and enjoyed seeing the big screen and talking to staff back in school via the video link.

Tempest Photography were in school and took

photographs of our children looking very smart in their uniforms. Proofs have been sent home and orders have been sent away.

It was lovely to be able to welcome so many visitors to our school during our Open Afternoon. Thank you for supporting us and completing feedback for our Rights Respecting School reaccreditation.

Maths week Scotland took place in September. Miss

Lelland set up our gym hall with lots of different maths activities which the children enjoyed trying out during their PE times.

The Scholastic Book Fayre was in school at the end of the month. Thank you to parents and grandparents for joining us on Tuesday and Thursday to read stories, look at books and enjoy our library.
